GXS to Host EMEA Partner Conference *GXS Partners from 15 countries attend to expand reach of GXS Trading GridSM*

London, United Kingdom – September 5, 2006 - GXS, a leading provider of business-to-business (B2B) e-commerce solutions, today announced its first EMEA Partner Conference will be held on September 28 at its UK headquarters in Sunbury-On-Thames, Middlesex.

Partners from more than 20 companies representing over 15 countries will attend the event to learn more about GXS' on-demand integration platform – GXS Trading Grid. Some of the countries represented at the event will include: Denmark, France, Ireland, Morocco, Netherlands, Poland, South Africa, Slovenia, Spain and the UK.

A number of guest speakers will present at the event including:

- Microsoft will outline why they selected GXS Trading Grid as the recommended B2B network for Microsoft BizTalk Server.
- Azertia, a GXS partner in Spain, will present how they leverage GXS Trading Grid solutions to deliver new on demand solutions to customers wishing to automate invoice and payment processes in their global supply chains.

During the conference partners will receive the latest news about GXS and the partner program. They will visit a Solutions Fair to learn more about the solutions available to them and their customers, as well new sales and marketing programs that will help them to accelerate the growth of B2B e-commerce in their countries.

Awards will be given to partners who have demonstrated growth and leadership in their markets during the first year of the Partner Program.
